

SIMPLE ELEGANCE

GATHER AT WOODLIFE

A scenic farm venue in New Lebanon, New York, offering handcrafted menus, mountain views, and a one-of-a-kind setting for events of all sizes.

WELCOME TO WOODLIFE

A PLACE TO CELEBRATE, SHARE & SAVOR

Woodlife Farm Market is more than just a venue—it's a gathering place rooted in community, hospitality, and a love for good food.

Opened in July 2023, Woodlife was thoughtfully restored from the former Windswept Farm by owner Mike Patten, who envisioned a vibrant market and event space that would showcase the best of both the farm and nearby Woodlife Ranch. The result is a one-of-a-kind setting where the natural beauty of the Berkshires meets farm-to-table dining and personalized service.

Whether you're planning a countryside wedding, an intimate celebration, or a corporate retreat, our team is here to bring your vision to life with warmth, professionalism, and care.
